

Dear Friends,

On behalf of Disability Law Colorado (DLC) and our dedicated community partners, I am pleased to extend an invitation to you for an opportunity to sponsor the Second Annual Disability Rights Advocacy Day (DRAD) on March 7, 2024. Your commitment to supporting this event will not only further the rights of Coloradans with disabilities, it will provide increased visibility and opportunity for the disability community to take action in the decision-making processes that impact their lives.

Disability Rights Advocacy Day is a day of engagement at the State Capitol for people with disabilities from around the state to engage with lawmakers in an effort to further the cause of disability rights. At DLC, we believe it is critical to amplify the voices of individuals with disabilities, and involve them in all areas where important decisions are being made. Individuals with disabilities have the knowledge, experience, and ideas to inform much-needed policy changes. Too often, systemic changes happen with the disability community in mind, but rarely with an invitation to have a seat at the table. DRAD was created to change that.

Last year, over 150 participants engaged in the First Annual Disability Rights Advocacy Day at the Colorado State Capitol, with even more participating across the state virtually. This year, DLC aims to have triple that number attending in-person and are working diligently to expand the virtual offerings for people across the state. All of Colorado has the right to have their voices heard, as there is still much work to be done to ensure our state is accessible and equitable for all. We believe the future of Colorado is accessible, and that disability rights are human rights.

Below is the tentative itinerary for Disability Rights Advocacy Day 2024:

8:00am	Breakfast in the West Foyer of the Capitol
8:30am	Press Conference in the West Foyer of the Capitol
9:00am	Tributes for Disability Day in the House and Senate Chambers
10:00am	Meet & Greet with State Legislators in the House and Senate Chambers
11:00am	Meeting with Lt. Governor
11:30am	Lunch with General Assembly Members in the Old Colorado State Library
1:00pm	Wrap Up, Thank You, and Send Off!

Your investment in this event is an investment in a future where every Coloradan with a disability can thrive, unhindered by societal barriers. Please review the enclosed sponsorship levels and consider joining this movement as a champion of change!
